## e. Request Email Statements

The screenshot shows the 'Request Email Statement' screen in the SBAC Bank mobile app. At the top, the status bar shows 'airtel', signal strength, 4G, 59% battery, and 2:39 PM. The app header is red with a back arrow and the text 'Request Email Statement'. Below the header, there are two radio buttons for 'Statement Type': 'Online' (unselected) and 'Offline' (selected). A note below says 'A hardcopy will be sent to your mailing address'. There are two date pickers for 'From Date' and 'To Date'. Below that is a field for the account name, showing '- sadia mallika'. There is an 'Email Address (Optional)' field. At the bottom is a large red button labeled 'Request'. The bottom navigation bar shows the standard Android navigation icons.

**SBAC Bank's customers can request for an email statement in this feature.**

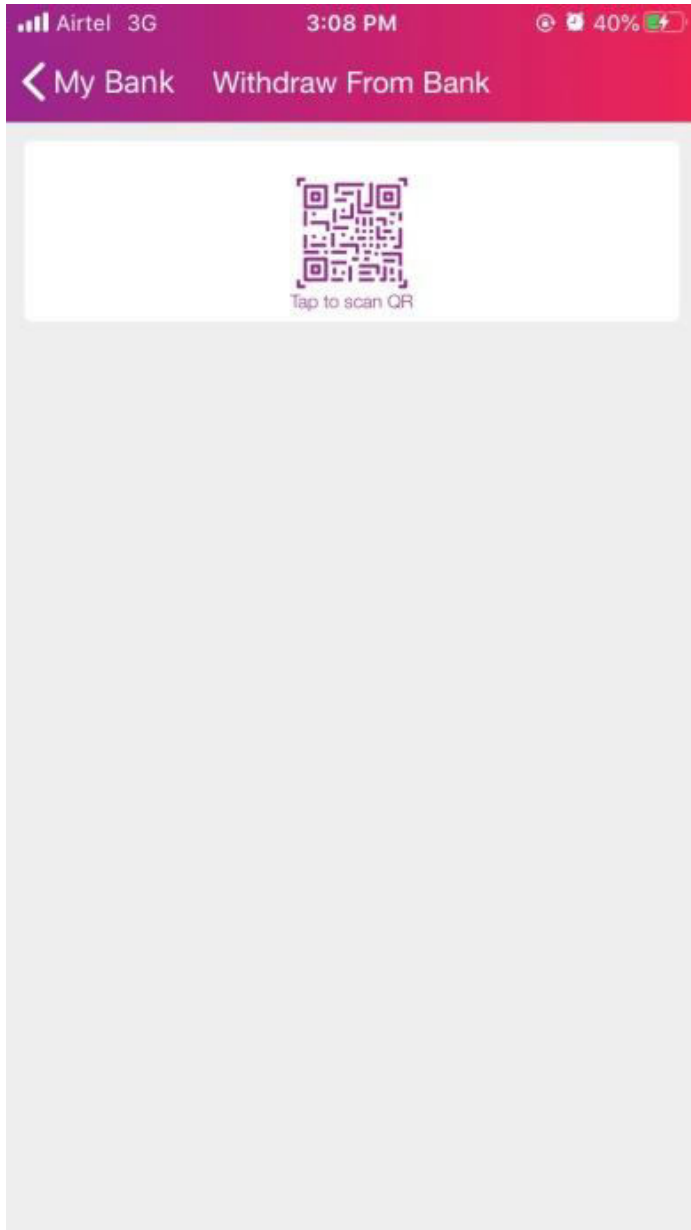

## f. ATM/Branch Locator

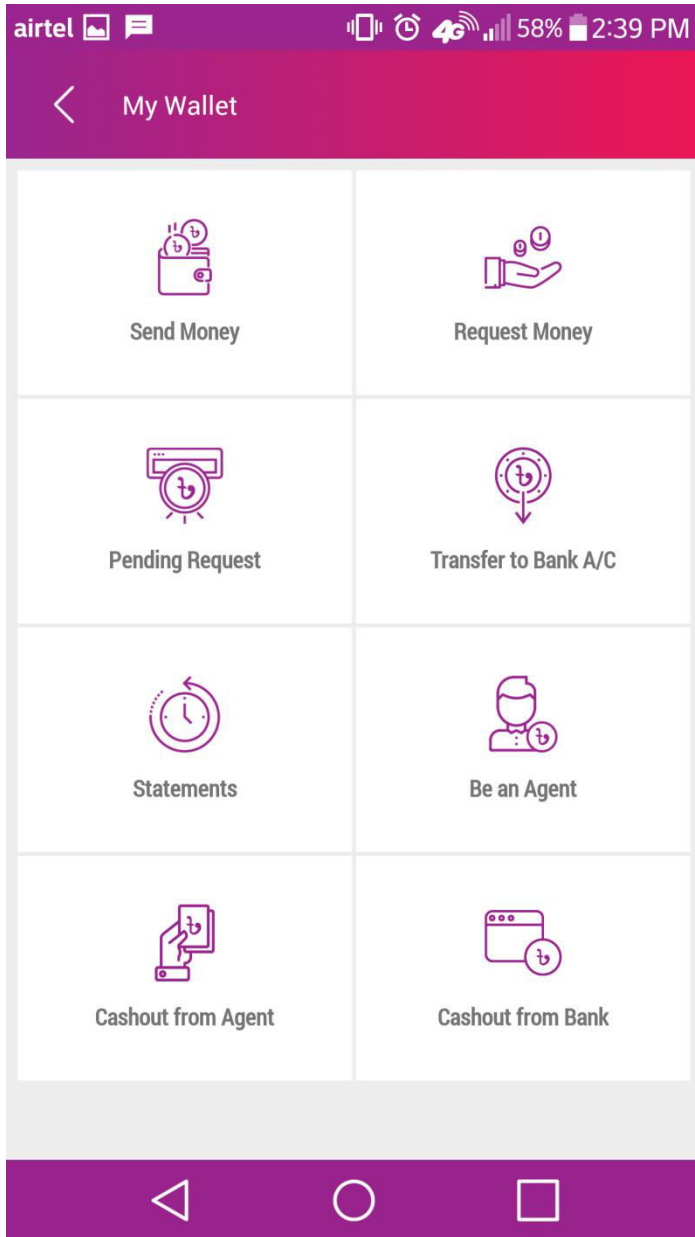

**In this feature, customers can see the SBAC bank's branches and ATM locations easily.**

## g. Withdraw from bank

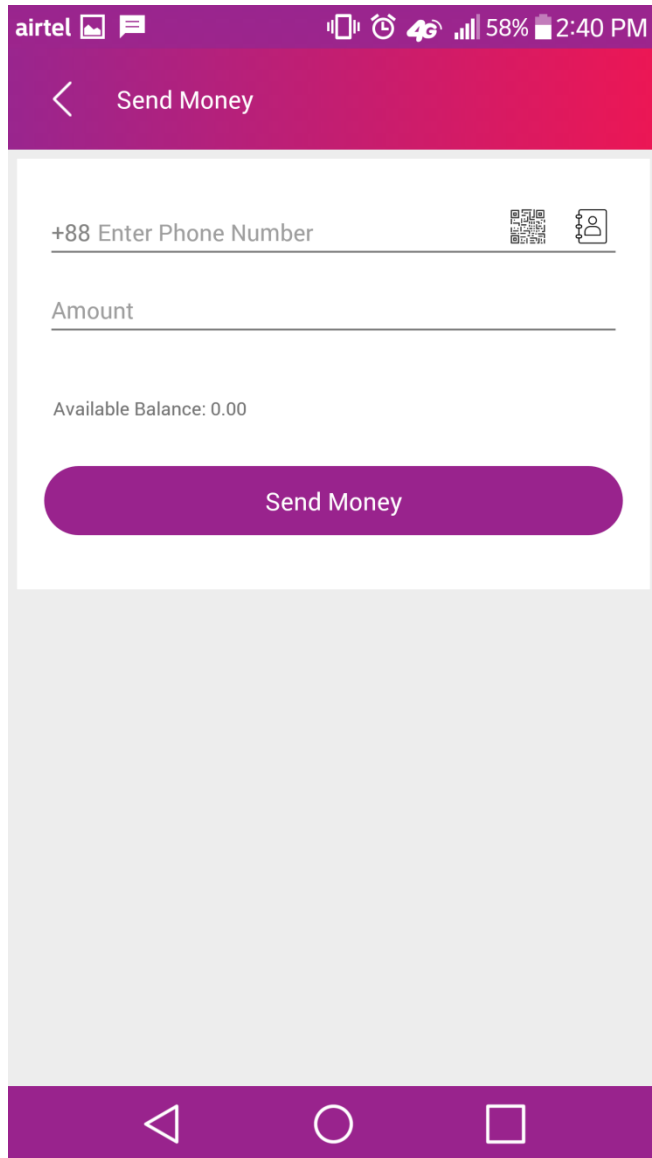

**You can easily withdraw money by scanning the QR code.**

# 4. My Wallet

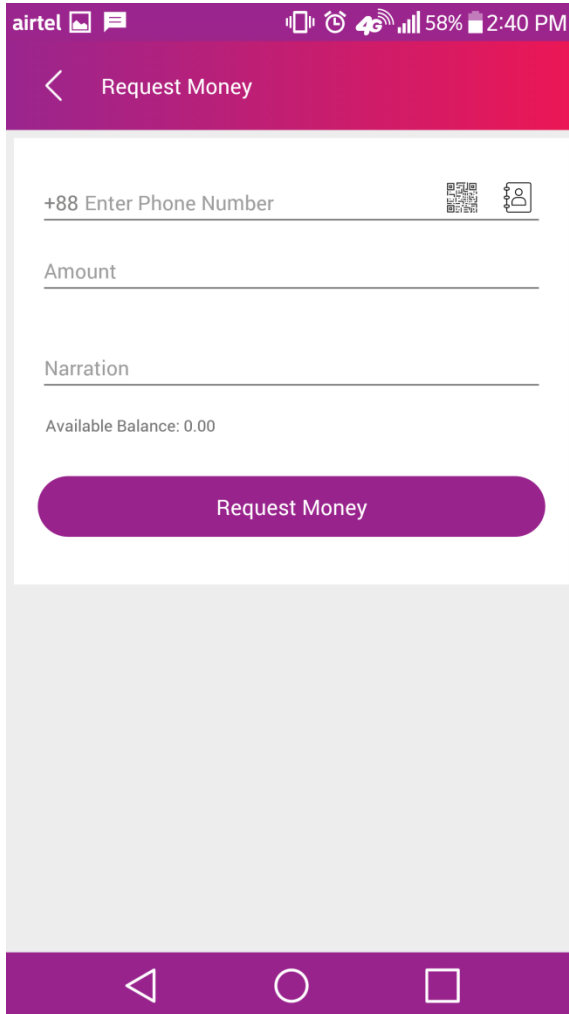

## a. Send Money

The screenshot shows a mobile application interface for sending money. At the top, the status bar displays 'airtel', signal strength, 4G, 58% battery, and 2:40 PM. Below the status bar is a red header with a back arrow and the text 'Send Money'. The main content area is white and contains a form with the following elements: a text input field labeled '+88 Enter Phone Number' with a QR code icon and a contact icon to its right; a text input field labeled 'Amount'; and a text label 'Available Balance: 0.00'. A large red button with the text 'Send Money' is positioned below the form. The bottom of the screen shows a red navigation bar with three white icons: a triangle, a circle, and a square.

**This Option allows Wallet users to send money to any mobile numbers.**

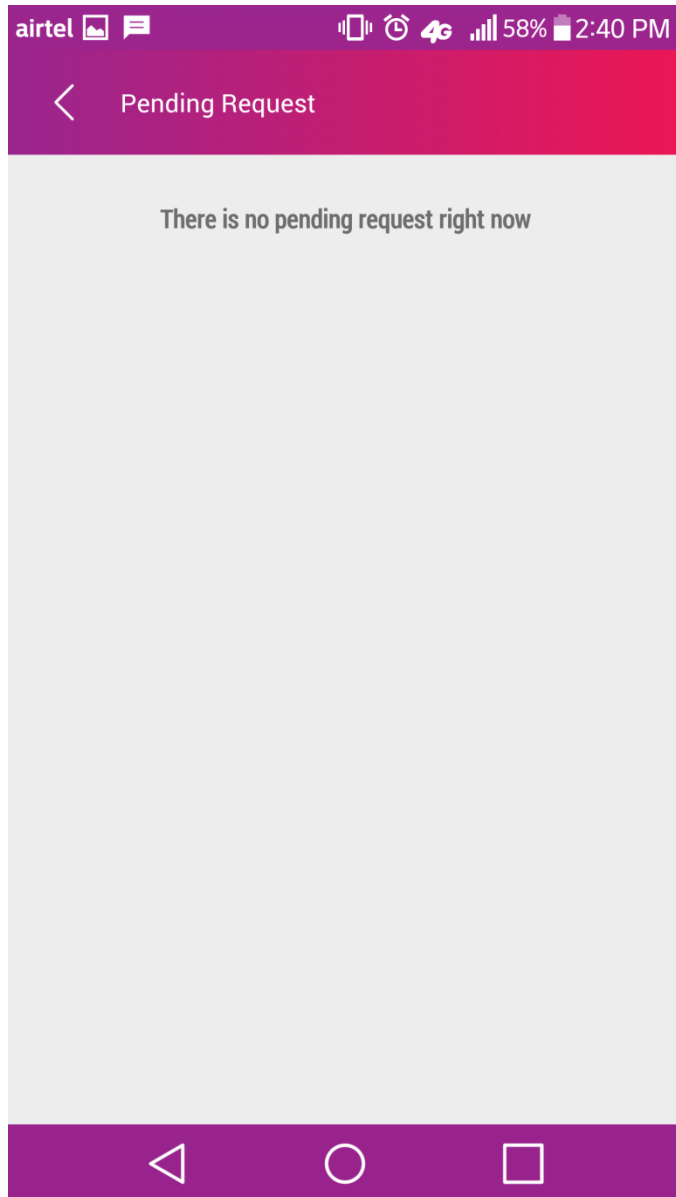

## b. Request Money

The screenshot shows a mobile application interface for requesting money. At the top, the status bar displays 'airtel', signal strength, 4G, 58% battery, and 2:40 PM. Below the status bar is a red header with a back arrow and the text 'Request Money'. The main content area is white and contains the following elements: a text input field labeled '+88 Enter Phone Number' with a QR code icon and a user profile icon to its right; a text input field labeled 'Amount'; a text input field labeled 'Narration'; and a text label 'Available Balance: 0.00'. At the bottom of the form is a large red button with the text 'Request Money'. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.

**With this option, wallet users can request for money to any other users as per their need.**

### c. Pending Request

**With this option, Wallet users can see pending requests of other users requested for money to him/her.**
